WAYNE SERVICE CENTER
“Making a difference by providing comprehensive services to individuals with developmental disability and their families.”
Samantha Barwick, Sherrie Curry, Victoria Jacobs, Michelle Iglesias
Faculty Advisor: Dr. Kimberly Kinsey Mannahan

PINELAND – WAYNE SERVICE CENTER
- Adult day program for individuals with developmental disabilities
- Day and employment services offered within 8 counties, both within the centers through contracted work and in the community through the supported employment program
- Develops and provides services to minimize impact of disabilities in lives of individuals and families
- Training, rehabilitation services, and case management are also offered in the home and community
- Promotes inclusion of individuals with development disabilities in the community
- Community access services help individuals be more active members of their community

PROJECT GOALS:
- Create social opportunities for the consumers
- Enhance relationships between the consumers, the agency, and the community
- Foster participation and volunteerism for consumers and members of the community
- Celebrate ability by adopting and promoting a shift in perspective focused on ability rather than on disability

EVENTS WE DESIGNED AND HOSTED:
- ROYAL CELEBRATION
  (Focused on importance and value of consumers)
- FALL FESTIVAL
  (Fostered community participation with agency and consumers)
- BLACK LIGHT SHOW
  (Celebrated ability of consumers)
